

Year 6 Cooking

This week, Year 6 were lucky enough to visit Fitzjohn's Primary School kitchen to cook some delicious food!

We worked in groups to cook a delicious vegetarian tomato based sauce to enjoy with pasta. We decided in our groups the quantities of ingredients according to our taste.

The experience provided a brilliant opportunity for us to practise our chopping skills we learned in Year 3 D&T.

It was fantastic to use the amazing local kitchen to prepare and cook the food! We couldn't wait to eat it!
