

"I have been waiting my whole life for this!" said when a child first saw Buckingham Palace!

Reception's visit to the Royal Mews at Buckingham Palace!

"Oh my goodness! These carriages are so beautiful, the Queen is very lucky!" said when a child was looking at the golden carriage!

We really enjoyed our trip to the Royal Mews! Shelia told us a story using props as we walked around and saw the Queen's carriages. We had to find all the objects which the corgi, Rex, had hidden! We really enjoyed singing nursery rhymes like the Grand Old Duke of York to help bring the story to life! We even saw some real horses!

We had to help Rex find all the objects he had hidden in the carriages!

We had a coronation for our very own Queen!!
