

# Year 5 Cooking- June 2022

Year 5 were lucky enough to visit Fitzjohn's Primary School and use their kitchen to cook some delicious food!

We worked in groups to cook a delicious vegetarian tomato based sauce to enjoy with pasta. We decided in our groups the quantities of ingredients according to our taste. The experience provided a brilliant opportunity for us to practise our chopping skills we learned in Year 3 D&T. It was fantastic to use the amazing local kitchen to prepare and cook the food! We couldn't wait to eat it!
