

The Globe Theatre

Year 5 class trip
October 2022

Year 5 have been learning all about classic play scripts in English this term and have been focusing on Shakespeare's plays.

We visited The Globe Theatre for a tour of the theatre and to learn more about the play of Macbeth. We learnt about the history of The Globe Theatre and also took part in a drama workshop with one of the actors! We thought all about how to present the three witches from the first scene of Macbeth and how to interpret the characters through movement.
