

Individual presentations: Be the expert!

Every one of our children at Christ Church has their own unique and amazing skills and talents and we have been finding out about them in our 'be the expert' presentations. Every child in Year 1 to Year 6 has been practising their public speaking skills and presenting to their peers about their skills and knowledge.

We have heard from experts in: fencing, Spanish, writing in Arabic, video editing, code breaking, Mr Men, Anzac biscuits, beach safety, playing the trumpet, the war in Ukraine, magic tricks, how to multiply any number by 11, Strictly Come Dancing and much, much more!
