

Reception's fabulous first class assembly!

Reception class did an amazing job sharing their learning with the rest of the school and their families. They said their lines so confidently in front of such a big audience and it was wonderful to see them supporting and helping their new friends, too! Very well done, Reception!

You all wore your beautiful Autumn crowns and sang us a brilliant version of 'You've got a friend in me!'

You shared your very creative Gruffalo habitats and posters and reminded us all how to recognise a Gruffalo from his 'terrible teeth in his terrible jaws!'

We saw your wonderful self-portraits inspired by the artist Kehinde Wiley.

November 2022.
