

# Year 6 School Journey Assembly – November 2022

Thank you, Year 6, for sharing all the great things about your super week away in such an imaginative way! You presented an amazing poem all about the giant swing, keel boat sailing, campfire, sensory trail, climbing, archery, kayaking, fencing and much, much more! It was wonderful to hear about the way you supported each other, worked together, overcame anxiety, built your resilience and tried lots of new skills!

Problem solving meant we had to work as a team  
When we work together, we succeed like a dream  
Negotiating and listening were the skills required  
Solving all the puzzles left us remarkably tired

Mastering a harness is a hard thing to do,  
But once you get the hang of it, it's fun, that's true!  
Trying something new always makes you feel good  
Supported by friends, you can do things you never knew you could

Giant swing launched us from terrifying heights  
The screams however, were of pure delight  
Views of Osmington Bay and the beautiful sea  
Meant the giant swing was a favourite for me!

In abseiling we climbed down like 007  
From the top of the tower, you could almost see heaven  
Standing on the edge some of us felt the fear  
Though conquering the challenge made everyone cheer

The time had come for us to pack our bag,  
The wait until now had been quite the drag,  
We were about to embark on a week of adventure,  
A week with our friends at the PGL centre.

Fencing called for us to dress real cool,  
We learnt so much, it was like a day at school  
Three hits meant victory against our opponent  
Followed by a tournament, we relished every moment.

In trapeze we climbed to the top of a pole  
Wobbling at the top caused us to lose control  
Reassured by the harness we set our eyes on the ball  
And leaped bravely into mid-air, rather than fall

The end of unforgettable week with our peers  
Memories that will last for years and years  
The gratitude we have we cannot measure  
A week at PGL felt like we found life's treasure

We loved seeing the video of all the activities, too!
