

On Thursday 14th December 2022, the whole of key stage 2 went to Hampstead High Street to carol sing. We were raising money for our two charities (chosen by our school council), World Vision and Roald Dahl's Marvellous Children's Charity. Years three and four also played their recorders! Well done key stage 2, you were all amazing!

When we got back to school, our year six class gave an amazing performance of 'Last Christmas' for our school community at home time. It is phenomenal how you can all play together and on such different instruments - well done!
