

Christmas children's gift boxes

Our school community has been putting together and donating children's gift boxes to be distributed to local vulnerable families this Christmas. We have collected over 130 boxes this year and these will be handed out by both the Young Barnet Foundation and the Salvation Army in Chalk Farm.

Thank you very much to all the children and families who were able to donate a box of gifts and toys - we hope these will make a real difference to other children at Christmas time.
