

St Paul's Cathedral

LDDBS Annual Schools Service

January 2023

Our KS2 School Council members represented the school brilliantly at the annual London Diocesan Board for Schools Service at St Paul's Cathedral. The service included magnificent organ music, a beautiful schools choir, a dramatic reading of the creation story and the opportunity to light candles and join in with hundreds of other schools and children in the congregational hymns. What a beautiful occasion in such a magnificent building!

We also stopped to look at an amazing animal sculpture on the way!
