

Amazing author and illustrator visits!

Reception, Year 1 and Year 2 met Sharon King-Chai who shared the beautiful stories and illustrations in her picture books. They took part in creative printing workshops making their own beautiful birds.

KS2 classes met author Kate Wilkinson who introduced her book 'Edie and the Box of Flits' by reading the first chapter while children acted it out. Children also heard all about Kate's life as an author and took the opportunity to revisit their history learning about North End Tube Station as Kate's book is set on the underground.

Years 4, 5 and 6 met author Jack Meggitt-Phillips who recited the first chapter of his book, 'The Beast and the Bethany' acting out all the different characters! Jack talked about how he comes up with a story plot: getting everyone to think about 'what could go wrong next'?
