

Debate week- whole school 13-17th March 2023

Were the Ancient Greeks the most influential ancient civilisation?

This week we learnt all about how to take part in a debate and developed our speaking and listening skills in the process. We watched a live debate run by Debate Mate, took part in their workshops, played debating games in class, planned our own debates and received support and guidance from 'expert' parents who use debating in their jobs, before a Year 5 and Year 6 group performed a live debate for the rest of the school! It was a huge success! Thank you to all those that helped!

Is it only art if it can be hung on a wall?

Are vegetables better for our health than exercise?

Was it right that the Anglo Saxons invaded Britain?

Could we survive without electricity?
