

POETRY

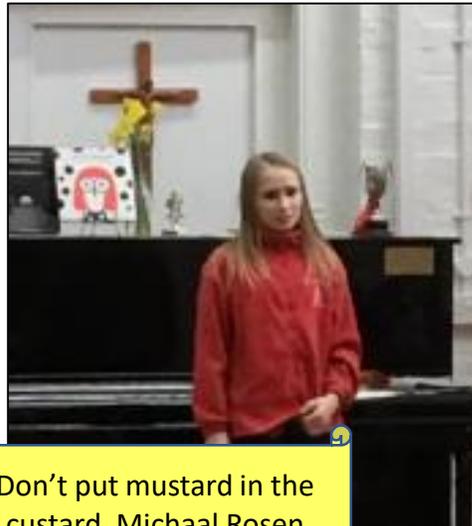

As part of our celebration of reading and books, each child in Years 1-6 researched, selected and rehearsed a poem, performing their chosen poem to their class after learning it off by heart. Children from each class then performed their poems to the whole school. Amongst many others, we enjoyed poems in Chinese and in Slovenian, a very moving performance of a poem about standing up to a bully, a super recitation of William Shakespeare's 'Double, double, toil and trouble' and some brilliant comic poems with actions, too! What a brilliant range of poetry! March 2023
