

# Readathon!

March 2023

We've all been reading lots and lots for the two weeks of our Readathon! We've taken part in reading activities at home and at school each day, including author visits, our second-hand book sale and some 'drop everything and read' sessions!

We all loved our reading hour with biscuits!

We started our Readathon with a bookmark design competition. These were our super winning designs!

We have enjoyed hearing stories read by lots of different family members - thank you very much if you came in to read!
