

Brilliant class assembly, Reception!

Thank you for a wonderful, confident assembly – you learnt and presented your lines brilliantly, shared so much of your learning and it was great to see you helping and supporting each other, too!

March 2023

We heard all about your human clock and how you have started telling the time and it was fun to see you jumping up in the month of your birthday in your song!

You shared all your learning and writing about traditional tales and we loved your 'Goldilocks' song and hearing about how you have been planting beans like 'Jack and the Beanstalk'.

We loved your art work using canvas and oil paints, inspired by Van Gogh's 'Sunflowers', and we heard about how you have become land artists, like Andy Goldsworthy, on your Heath trips, too!
