

A Celebration of Music!

Our whole school arts project for Spring 2023 ended in a brilliant music concert for parents, families and friends!
We sang pieces in harmony parts including *Lean on Me*, *Sing* and *Love Shine a Light* as well as some of our favourite assembly hymns and songs.

Throughout the term, we focused on performance skills: expressive singing, focusing on the conductor, the importance of professional rehearsal and performing as a cohesive group. Our feeling of togetherness and community when we sing as one is something really quite special!
