

Supporting Henderson Court Age UK Centre

As part of our PSHE week, learning about being an active citizen in our local community, lots of classes have been supporting our local Age UK centre, Henderson Court, which works with local elderly people and those with complex needs.

Year 3 took part in some craft activities with the elderly visitors and enjoyed chatting together!

Reception, with their Year 6 partners, put on a brilliant concert!

Year 4 did some gardening and planting to improve the environment of the centre.

Year 1 entertained the visitors with songs, poems and sharing their paintings and drawings!
