

Well done for a great class assembly, Year 1!

You had learnt your lines brilliantly and shared all your learning so clearly and enthusiastically!

You told us all about how you have been observing the seasonal changes in our local area, and recording this by taking photos of one of our trees. You also told us lots about the wild and garden plants you found in different areas around our school.

We loved your Spring paintings inspired by Gustav Klimt's *Autumn Beech Grove* art works, and the way you had scraped, brushed and mixed to apply the paint in different ways in different parts of your paintings.

You shared some brilliant writing inspired by *The Three Billy Goats Gruff*!

You explained all about how you had been trying new fruits and learning how to chop carefully to make a yummy fruit salad in DT. We loved your 'Fruit Salad' song, too!
