

# PSHE Week Summer 2023 Year 5

In Year 5, we learnt lots about money. We thought about the different ways people can pay for things, the choices people have about this, the different ways people can keep track of money and also the different attitudes people have towards spending and saving money. We also learnt about the things that may influence these decisions. We learnt what investments are and about the risks involved with money. We played a board game and imagined we were investing money and learnt about potential gains and losses. We also thought about the impact people's spending decisions can have on others and the environment as well as learning about budgeting. We thought about people's needs and wants and then worked in groups to devise a monthly budget based on a given wage and set of outgoings; we even had to work out the cost of a weekly food shop!

We also learnt lots about rules, laws and democracy this week. We visited the Houses of Parliament where we learnt about the House of Commons and the House of Lords and how these both work. We also thought about the reasons for rules and laws and the consequences of not adhering to these.

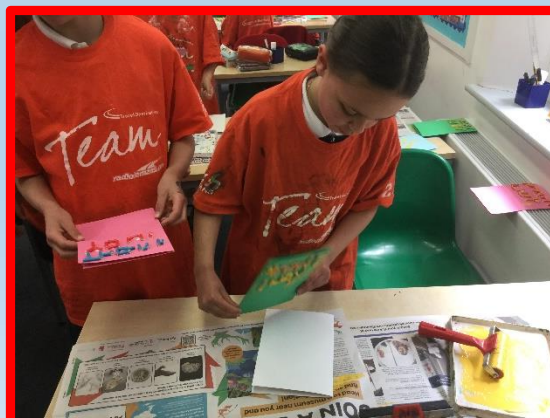

We went to Metro Bank on Tottenham Court Road. Here we learnt more about how a bank works. We were able to use the money machine and even got to look inside the vault! We learnt about safety deposit boxes and how banks work to keep people's money and possessions safe.

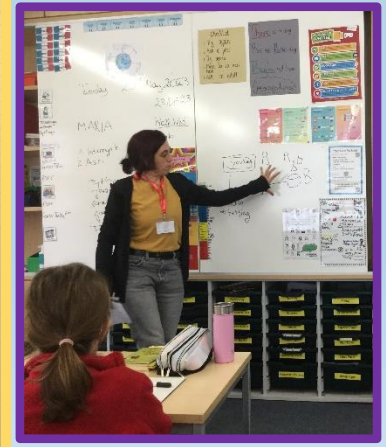

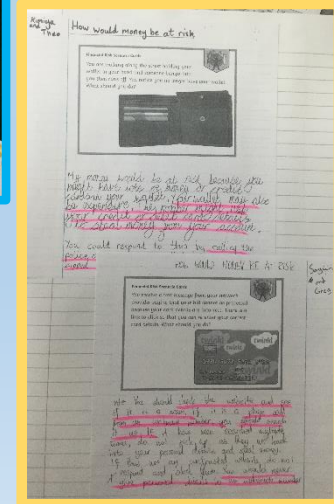

We were lucky enough to speak to a variety of professionals about their careers. The speakers shared interesting information about their roles and we had the opportunities to ask lots of questions to discover more. We heard from people from a range of professions, for example a judge, engineers and programmers!

We thought lots about those in our local community and made thank you cards for the staff members at the Royal Free Hospital.

Investment Option	Investment Made	Number from Dice Roll	Return	New Total
Bank Sale	£3	2	Lose £1	£19
Stone station	£2	6	Gain 2x	£23
Stone station	£5	5	Gain 3x	£38
Bank Sale	£5	1	Lose 2x	£28
Stone station	£2	1	Lose 1x	£20
Bank Sale	£10	2	Lose £1	£19
Stone station	£2	3	Lose £1	£18
Bank Sale	£3	2	Lose £1	£17
Stone station	£10	4	Gain £2	£19

**Sustainability.**  
It's creative.  
It's practical.  
It's innovative.  
It makes a difference to people and planet.
