

Y6 PSHE Week - Careers

In PSHE week, Year 6 have been learning all about careers. We have learnt about what may be appealing about different careers and jobs; what skills and qualifications we may need to get those roles; and how to apply for them, by writing our own Curriculum Vitae and role playing our own interviews. We considered how we must not stereotype in the workplace and how everyone can aspire to fulfil different jobs and roles whoever they are!

We also were lucky enough to have LOTS of professionals, in person and on Zoom, telling us all about their job! We had so many questions!

L28. about what might influence people's decisions about a job or career (e.g. personal interests and values, family connections to certain trades or businesses, strengths and qualities, ways in which stereotypical assumptions can deter people from aspiring to certain jobs)
L29. that some jobs are paid more than others and money is one factor which may influence a person's job or career choice; that people may choose to do voluntary work which is unpaid
L30. about some of the skills that will help them in their future careers e.g. teamwork, communication and negotiation
L31. to identify the kind of job that they might like to do when they are older
L32. to recognise a variety of routes into careers (e.g. college, apprenticeship, university)

I am a hardworking dedicated student. In this short yet skillful resume I will tell you why I am the perfect candidate for this position and I hope you will consider me as a member of your staff

SKILLS

- I use my great teamwork skills in everyday life when working with my peers in group projects
- I try to solve problems using problem solving abilities and demonstrate this in maths problems, riddles and puzzles.
- My time and personal management will ensure I will not be late and take this job seriously
- Organising and coordinating skills will also help and I am confident that I am very organised
- I also have faith in my IT Awareness

Personal Profile

I am a diligent, resilient and patient individual. I am always open to learning new skills and to participate or lead group activities. I will explain why I should be selected for this position.

Skills

- I am a good listener, and make sure to apply suggestions to my work for improvement.
- I am an enthusiastic mathematician and am always looking to expand my knowledge further. I have participated in the Junior Maths Challenge, representing my school.
- I am a proficient writer and strive to be the best writer I can by constantly improving my mistakes. I have applied for a daunt books competition for writing.
- I am an organised person and do not rely on my peers to handle my time management. I am always on time for school and other activities.
