Organ workshops with St Paul's Cathedral

We had a brilliant day with an organist from St Paul's Cathedral in school – he even brought his own portable organ!

We enjoyed some amazing organ music in assembly, singing one of our favourite hymns to an organ accompaniment, and each KS2 class had a workshop to find out more about how an organ works. They were even able to have a go themselves!

Y4 and Y5 will follow this up with a day at St Paul's to listen to some organ music there, too!
