

Year 2 and 3
October 2023

Try Something New - Stop Motion Animation

I TRIED
SOMETHING
NEW

As part of our Try Something New week, we tried stop motion animation!

We worked in groups and created short videos linked to our history learning. Year 3 made videos showing scenes of boats travelling down the River Nile and the Pyramids being built and Year 2 made videos of the Great Fire of London. We were all so proud of ourselves for the new skills we had learnt!
