

This week, we have all been **making a noise about bullying** for Anti-bullying week! We have been learning about what bullying means and how to be an upstander not a bystander and about the importance of talking to a trusted adult if we are worried about ourselves or someone else.

November 2023

Remember, if you are worried, reach out. There are lots of people ready to listen to you.

Congratulations to Year 5 who have all completed their Anti-Bullying Champions training this week!

We want to be a school of upstanders!

Thank you to Year 6, who were trained as anti-bullying champions last year, who presented a brilliant assembly about how to be an upstander in different situations. Year 6 also helped out with anti-bullying work in other classes, too.
