

**Fantastic first assembly!**  
 Well done to Reception class for sharing their first class assembly so amazingly! You learnt and presented your lines so brilliantly and we loved your songs, too!

We all enjoyed your songs about Peter Rabbit and Alice the Camel!

We loved your art work inspired by Wassily Kandinsky – you told us all about concentric circles!  
 We loved your Autumn crowns, too!

December 2023

You shared all your learning in maths about subitising, the stories you have read about Harvest and how you have been thinking about the importance of families and friends.
