

Key Stage 2 Carol Singing

On Tuesday 19th December 2023, the whole of key stage 2 went to Hampstead High Street to carol sing. We were raising money for our two charities which have been chosen by our school council. Years three and four also played their recorders! Well done key stage 2, you were all amazing!

We collected money for two charities: The Winch and World Vision. Both charities support children in poverty and hardship either locally or around the world.
