

Reception's PSHE Week

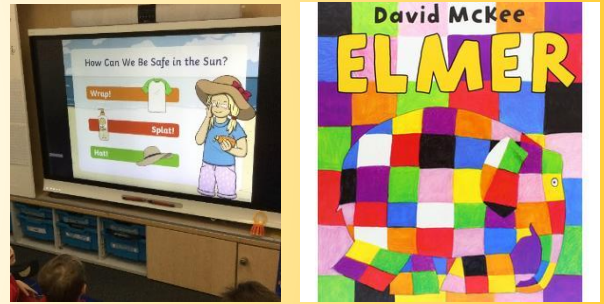

We learnt about road safety and loved practising our road safety skills to STOP, LOOK, LISTEN AND THINK when walking to the Heath. We also learnt about scooter safety with the Camden road safety team.

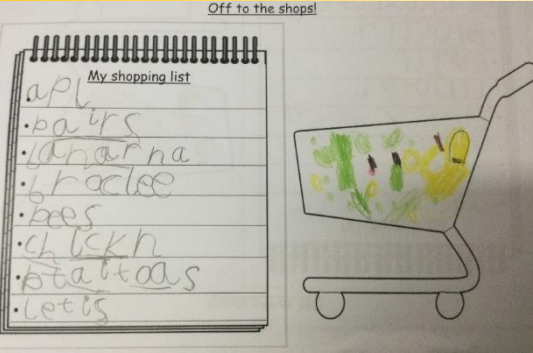

We read the story 'Elmer' and learnt the word 'unique'. We thought about all of the things that make us different and special!

We learnt about people who help us stay safe and healthy. We loved role playing as doctors and patients in the hospital. In particular, we enjoyed speaking to the police officers that visited and learnt how the police keep us safe.

We learnt what the word 'safe' means and discussed the different ways we can stay safe in the sun. We learnt about how to be safe online too!

We learnt about the different ways we can have a healthy body. We looked at how exercise, sleep and food can make you strong! We really enjoyed sorting food into healthy and unhealthy snacks and writing our own healthy shopping lists.

With the help of pantosaurus, we learnt about privacy and making sure to speak out if someone or something makes you feel uncomfortable.
