

Year 4 – St Alban’s Cathedral: Alban and the Romans

Year 4 went on an amazing trip to the spectacular St Alban’s Cathedral to learn all about the Roman Invasion and how Alban became known around the area.

We dressed up as different people to tell the story of Alban.

It was an incredibly interesting story, full of mystery, miracles, friendship and faith.

ST. ALBANS CATHEDRAL

After hearing about Alban, we learnt about the Roman art form of Mosaics, and were able to create some of our own.
