

What a fabulous assembly, Year 5! Well done!
You were so professional and confident in your presentation and you shared all your learning in such an interesting and entertaining way!

Your balanced argument about whether Macbeth was a tragic hero or wicked villain was presented brilliantly and shows just how much you know about Shakespeare's play.

You taught us all about the features of a river and how different features are formed by natural processes.

We started the assembly with some breathing exercises – you have been learning how these can help to calm you down and help you sleep.

You taught us all about the battle for the throne in the build up to 1066 and we loved your rap about the Bayeux Tapestry 'Hashtag stitch it in'!

February 2024

You shared your beautiful clay Anglo-Saxon brooches, inspired by the archaeological finds at Sutton Hoo.
