

POETRY

As part of our celebration of reading and books, each child in Years 1-6 researched, selected and rehearsed a poem, performing their chosen poem to their class, with many learning the poems off by heart. Children from each class then performed their poems to the whole school. Amongst many others, we enjoyed poems in other languages, poems which made us laugh, poems with brilliant actions, poems written or adapted by the children themselves and poems by poets as diverse as William Wordsworth, A. A. Milne and John Foster. What a brilliant range of poetry!
