

Shri Swaminarayan Mandir – Hindu Temple

Year 4 – 17th May 2024

Year 4 went on an amazing trip to the Hindu temple. When we first laid eyes on it, we were in awe of its size and beauty. Once inside, we watched an informative documentary about the Mandir and how/when it was built. Then, we went into the Hinduism exhibition. Finally, we were able to visit the main shrine room as well as a smaller one.

We were lucky enough to see the Aarti ceremony, where the Murti (sacred images or statues ritually infused with the presence of God) were fed.
