

Year 1 PSHE Week - Living in the wider world - May 2024

Litter picking!

We thought about how we could look after our local environment and organised our own litter pick on Hampstead Heath. We collected three big bags of rubbish!

This week we have been learning:

- about what rules are, why they are needed, and why different rules are needed for different situations
- to recognise reasons for rules and laws; consequences of not adhering to rules and laws
- how people and other living things have different needs; about the responsibilities of caring for them
- about things they can do to help look after their environment
- that everyone has different strengths
- that jobs help people to earn money to pay for things
- different jobs that people they know or people who work in the community do
- about some of the strengths and interests someone might need to do different jobs
