

School Council elections

July 2024

Many of our Year 5 class put themselves forward to stand for the posts of Chairperson, Vice Chairperson and Secretary in our School Council elections for next year. They campaigned for votes with posters and speeches in a special hustings assembly.

The whole school voted in the annual election and we learnt about secret ballots, the electoral roll, ballot papers, ballot boxes and the right to have your voice heard (UNCRC articles 12 and 13).
