

Comic Drawing Workshops - 14th and 15th October 2024

As part of 'Try Something New' week, Years R-5 got the chance to try some comic drawing led by an artist. We got to draw along in real time with James who took our ideas for drawing and then brought them to life. We had a lot of fun and enjoyed trying out a new skill. Some of us were even inspired to carry on at home!
