

Super assembly, Year 3! Well done for sharing the first class assembly of this year- you presented all your learning so clearly and professionally!

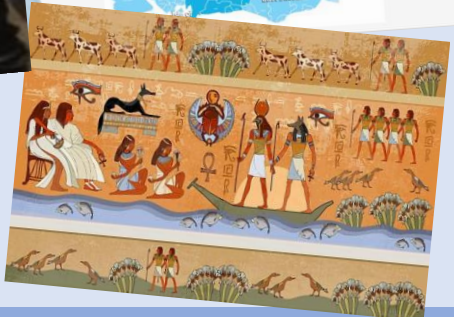

Physical Geography

Human Geography

We loved your super Egyptians song helping you to remember everything you have learnt about the Ancient Egyptians!

You shared your learning in Geography about the South East region of the UK and in History about the Ancient Egyptians.

You spoke passionately about being a Rights Respecting School and taught us more about Article 12, which says children and young people have the right to have opinions and these opinions should be heard and taken seriously. We loved listening to all of the ways you get to 'have a say'!
