

Well done, Year 6, for a super class assembly telling us all about your week away on school journey. You presented an amazing poem all about the giant swing, paddle boarding, climbing, archery, kayaking, fencing and much, much more! It was wonderful to hear about the way you supported each other, worked together, overcame anxiety, built your resilience and tried lots of new skills!

An unforgettable week with our peers  
Memories that will last for years and years  
The gratitude we have we cannot measure  
A week at PGL felt like we found life's treasure.

Giant swing launched us from terrifying heights  
The screams however, were of pure delight  
Views of Osmington Bay and the beautiful sea  
Meant the giant swing was a favourite for me!

Boarding the coach, we said our farewells,  
A week of adventure, the bus filled with yells,  
Minutes felt like hours, we were desperate to arrive,  
How much faster, Mr Bus Driver, can you drive?

Heading for Portland, we jumped on the bus  
Squeezing into our wetsuits was a bit of a fuss  
Buoyancy aids and paddles at the ready  
Kayaking meant we had to keep the boat steady!
