

Fantastic assembly, Year 1! Well done for sharing your learning so confidently and clearly – you had learnt your lines brilliantly and we loved your songs and music, too!

You shared your own ideas based on the book 'It is not a stick' – they were very imaginative!

We all enjoyed your two songs – one about the months of the year and one about the Toys in the Penny Arcade. We also loved your musical performance of 'Che Che Kule'. We saw some very confident musicians who were accompanying the singing, leading others or counting in before each verse. Super!

This is not a chair it is a golden throne.
This is not a chair it is a carriage for a bunny.
This is not a chair it is a sparkly, shiny book.
This is not a chair it is a toy rabbit.
This is not a chair it is a crunchy, healthy apple.

You shared all your learning in History about how toys have changed over time and we loved seeing your own rocking horse models. You also taught us all about the weather in different seasons in the UK – we loved seeing you dress up for hot and cold weather!
