

On Thursday 7th November, Year 5 travelled to the Southbank to visit The Globe Theatre! We received a tour of the theatre and learnt all about its history.

Year 5's trip to The Globe Theatre

Did you know that the original Globe theatre burnt down in 1613, when a prop cannon misfired during a performance of Henry VIII?

The theatre that stands now was actually built in 1997 by Sam Wanamaker!

Following our tour, we participated in a workshop where we explored the varying status of different characters from Shakespeare's *Macbeth*. Then, we rehearsed scenes in role as Macbeth and Lady Macbeth on the night of King Duncan's murder!
