

Fantastic assembly, Year 5! Thank you for presenting all your learning in such a professional and entertaining way!

You taught us all about the impact of the Anglo Saxon and Viking invasions of Britain. We learnt about the seven Anglo Saxon kingdoms and that Vikings didn't really wear horned helmets! You also sang us a brilliant Viking song!

We also loved your art work showing how different colours can represent different moods depending on who looks at them.

You shared your learning about William Shakespeare brilliantly – we loved guessing which play each quote was from!
