

Year 3 at the British Museum

February 2025

Year 3 had a brilliant day at the British Museum where we went to learn even more about Ancient Egypt. We spent the morning exploring the Egyptian galleries to learn more about mummification, daily life, uses of the River Nile and to get some inspiration for the death masks we will be making. After lunch, we had a workshop all about archaeology; we looked at a range of artefacts and worked in groups to categorise them. We had a great, fun-filled day!
