

Year 1's trip to the National Portrait Gallery

Year 1 had a wonderful time at the National Portrait Gallery on Monday 23rd June. We took part in a workshop all about portraits, thinking about what defines a portrait. We explored the galleries and looked for different clues in some of the portraits to see if we could find out more about the person in them. We discovered that some paintings have lots of clues and some have none!

After lunch, we took some time to look at the paintings, photographs and sculptures in the galleries. We did some observational drawings of our favourite artworks.

We enjoyed creating our own portraits in our workshop, using crayons to rub over a design we created.
