

Anti-bullying learning and odd socks day!

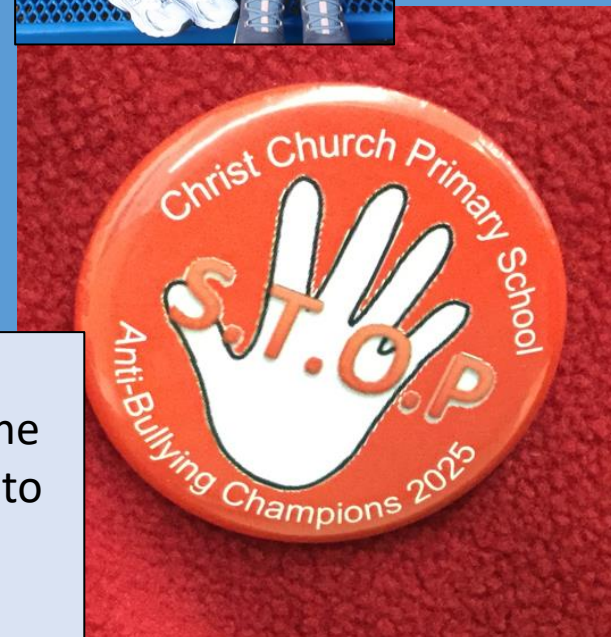

November 2025

We all wore our odd socks to show how we value and celebrate difference and raised over £250 for Childline through our donations.

Our Year 6 Anti-bullying Champions led an assembly reminding us about what bullying is and the different types of bullying; they also helped with the anti-bullying work in other classes.

Our Year 5 class took part in training sessions throughout the week and they are now proud to be our new Anti-Bullying Champions!
