

Super assembly, Year 2! You presented all your learning so clearly and confidently and we loved your songs, too!

Your call and response drumming was fantastic!

We loved your collage self portraits inspired by Eric Carle.

Continents and Oceans

You told us all about Florence Nightingale and why she is such a significant figure in history. You shared your learning about the seven continents and five oceans in Geography, too.

You shared some wonderful writing based on your learning about a story in a familiar setting where an animal was living in your wardrobe!

couldn't believe his eyes when he opened his wardrobe to see that there was a cute, small husky sleeping on his shelf. Soon he noticed that on its collar it said: This husky's name is Blue. But unfortunately, Blue started chewing his toys and Max got really sad.

was rather surprised when he opened his tall wardrobe to see a baby brachiosaurus! When he showed the others, their mouths fell wide open. Mummy said, "That is definitely a toy!"

"No, it's not a toy, it's a real brachiosaurus." I shouted. Then they agreed.

We loved your two songs – a great song linked to all of your learning about Florence Nightingale and 'Tony Chestnut' which you have been learning with Mr Oliver.
