

# Wonderful poetry!

We all enjoyed some wonderful poetry as part of our World Book Day celebrations! Each child in Years 1-6 learnt and shared a poem with their class and then we shared some with the whole school in a special assembly.

We heard poems written by the children themselves and by poets as diverse as Allan Ahlberg, Robert Burns, A. A. Milne and Spike Milligan and with topics ranging from cats, Australia and the Scottish Highlands to dreams, seasons and school!
