

Spring 2026 – PSHE Week: Keeping Safe and Healthy

February 2026

As part of our Spring term PSHE week on keeping safe and healthy, we were visited by our local community police officers.

The police spoke to each class about their role in keeping people safe and reminded us what to do if we need to make an emergency phone call. We also discussed how to keep ourselves safe including what to do if we ever get lost and the different people and emergency services who can help. Children had the opportunity to ask questions and had lots of fun trying on the police hats and looking at their radios!
