

# Shri Swaminarayan Mandir – Hindu Temple

Year 4 - 16<sup>th</sup> March 2026

Year 4 had a fantastic trip to the Hindu temple. As soon as we saw it, we were amazed by its size and beauty. After going inside, we watched an interesting documentary about the Mandir and learned how and when it was built. Next, we explored the Hinduism exhibition. At the end of our visit, we went into the main shrine room, where we had the chance to watch a ceremony.

We were lucky enough to see the Aarti ceremony, where the Murti (sacred images or statues ritually infused with the presence of God) were fed.
