

**Well done, Year 1!** You presented all your learning so confidently and clearly in your summer term class assembly and everyone was so impressed!

You shared two brilliant songs: one linked to your learning about plants in Science and one about your plan to make a delicious fruit salad in DT!

The witch in Rapunzel:

The witch has a black cloak and hat. She is terrifying and mean. She is very bad and her hat is long and pointy. She is angry and bossy. She is rude and doesn't like anyone.

In the gold, magic and magnificent castle there is a bridge with grey bricks. You can hear bluebirds tweeting. You can see a rainbow and there is one big, green tree. There is also a beautiful sunny sky.

We heard some amazing writing from your English topic all about fairy tales: your letters to Snow White, your setting descriptions and your character descriptions of your favourite fairy tale villains were wonderful!

You shared your beautiful fairy tale castle art works and explained the different media you had used to create them. They look fantastic!
