

Year 4 went on an amazing trip to the spectacular St Alban's Cathedral to learn all about the Roman Invasion and how Alban became known around the area.

ST. ALBANS CATHEDRAL

We dressed up as different people to tell the story of Alban. It was a very interesting story, full of mystery, intrigue, friendship and faith.

After hearing about Alban, we learnt about the Roman artform of Mosaics, and were able to create some of our own.

Year 4, May 2026
