

# PSHE Week –Living in the Wider World- Careers Talks

May and June 2026

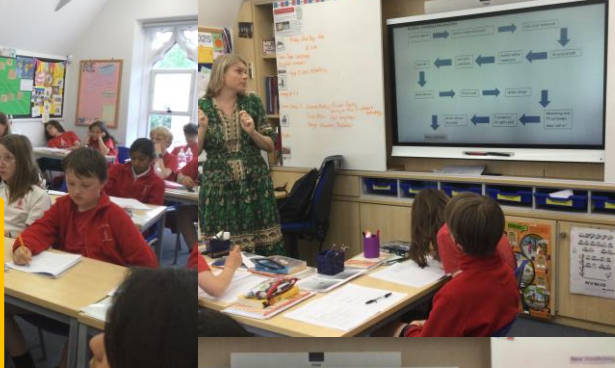

### Skills You Already Have! 🌟

*You don't need to wait to start practising these!*

<b>Problem Solving</b> Lawyers puzzle out tricky situations every day	<b>Communication</b> Explaining ideas clearly in words and writing	<b>Curiosity</b> Asking "Why?" and finding out how things work
<b>Fairness</b> Caring that everyone is treated right	<b>Hard Work</b> Giving your best even when it's tough	<b>Empathy</b> Understanding how other people feel

Year 5 and 6 were lucky to have a huge number of guest speakers come into our classrooms to share with us their experiences about the world of work. A diverse group of professionals from our school community came in and spoke about their career journey. We were left inspired about the possibilities we have in the future and learnt about how all the things we learn in school will benefit us in our future working lives.
