

Wow! Well done for such a super assembly, Reception!
You confidently shared all your amazing learning about
being adventurous explorers!

We loved all of your amazing singing: you taught us all about
the solar system, sea life and famous explorers through some
excellent songs.

You showed us your brilliant water colour and oil pastel
paintings of the Heath, inspired by Monet's 'Water Lilies' and your
fabulous super hero capes which you designed and made in DT!

Excellent number bond knowledge!
