

Year 2 Christopher Wren Trip – The Great Fire of London – June 2026

What an exciting trip!

First, we got to go into Temple Bar. We learnt that this was one of the gates to the city where people would have to pay a toll to enter.

We built our own masterpieces – they had to be strong and beautiful.

We can make a cathedral!

We wrote using a quill – something Christopher Wren would have used a lot!

We visited St Martin's Church and St Paul's Cathedral (both designed by Wren) and got to dress up as some of the people in Christopher Wren's life.

I think this is a leather bucket!

We looked at some objects linked to Christopher Wren and learnt about his life.
